## INTRODUCING...

### Karen Haddock

**My working background was office administration & accounts in the motor trade and then plant hire and sales.**

I have been a member of The British Polio Fellowship for 35 years at both branch, regional and national level helping to organise events and socials. I'm the K in KLH Events and became involved with Pontefract Civic Society through our

involvement with WheelFest and Liquorice Shoots.

I'm passionate about everything that Pontefract has to offer for both its residents and visitors alike and as a new trustee, I hope to be able to use my skills in events organising to promote the town and the civic society, whilst contributing to discussions with other trustees, members and local people.

### David Hemingway

**I'm originally from Pontefract, though my family moved away when I was young. After living outside Yorkshire for years, I eventually saw the light and returned home.**

By day, I'm a web developer working on a platform that helps businesses fight financial crime. Outside of work, I'm pursuing a

postgraduate qualification in Data Science and AI. Paul has convinced me that I'm up to the challenge of stepping into Peter Ferrari's shoes. With Peter now enjoying a well-earned retirement, I'll be taking over the management of email—and possibly other aspects of M365—for the civic society.

## SOCIETY SOCIALS

**Saturday 19 July**

**Afternoon Tea and Alley C\*zam**

**Thursday 4 September**

# PLANNING GROUP

## PLANNING & LICENSING APPLICATIONS

### June & August meetings

- **25/00980/FUL** – Pontefract North The Lockwood 13 Front Street Pontefract WF8 1DA. Change of use of public house (Sui Generis use) with flat at first floor (Class C3 use) to restaurant (Class E(b) use) and erection of single storey extension to rear. **Neutral**

### August meeting

- **25/010176/FUL** – another new bar on Ropergate  
The building is of local interest and is on local list and within a conservation area. The owner need to confirm age of the steps to the rear of the property, hours of operation and will there be a roller shutter? The façade should reflect the heritage of the street, and we questioned whether the application covers the upper floors of the building or just the ground floor. **Neutral**
- **25/01170/FUL** car park land off Southgate  
Not a change of use, just due to new ownership and change of signage. Will the ancillary equipment be sympathetic to the surrounding area. **Supported**
- **23/01881/S730** – 5 Ropergate – Taxis  
We've raised concerns as they have said in the original planning application that they did not want pick up/drop off on Ropergate. Wakefield Council Highways are equally concerned about this narrow corner and the abuse of the loading bay. **Objected**
- **25/00931/FUL 24 Market Place** – Former public house wanting to keep the upstairs as it originally was with lots of heritage features! **Supported**

### September meeting

- **25/01568/LBC** – 8 Market Place, the Liquorice Bush: internal decoration throughout the pub. **Supported.**
- **25/00801/LBC** – Rear of 23 Market Place, Santander: rebuild external collapsed wall. **Supported.**
- **23/00800/FUL** – Rear of 23 Market Place, Santander: rebuild external collapsed wall. **Supported**
- **25/01658/ADV** – 30–34 Front Street, Haribo: external signage. **Supported**
- **25/01627/Ful Newgate House:** 20 unit HMO (23 previously refused (24/01132/FUL – we objected) – We are repeating

our previous comments as the slight reduction insufficient. No 'refuse area' not shown. In our view, Apartments of reasonable quality with a reduced number of units would be more acceptable. **Objected**

- **25/01563/FUL 19–21** Gillygate, Jackies Florist (as was): change of use part ground floor residential to commercial though queried lack of internal WC/handwashing facilities in the shop. **Supported.**

### Design Awards 2025

We've started to prepare assessments for the 2025 Design Award nominees, and we're revamping the awards evening, so it will be more social and celebratory when we get together in January 2026. If you've not attended before, we'd encourage you to come along.

If members have any nominations that we may not be aware of then please contact me as [planningcoordinator@pontefractcivicsociety.org.uk](mailto:planningcoordinator@pontefractcivicsociety.org.uk)

## WORKING GROUP REPORTS

# RAIL GROUP

*"Grand Central Rail Services from Pontefract Monkhill from December. While the 2hr journey time is good, it's very disappointing that the latest return is 16:25 and a return journey to the capital is not possible on a Sunday.*

*The timetable can be found online though we will publish it in our next issues nearer the implementation date".*

**Chris Hyomes**

## GRAND CENTRAL

*"I risk repeating what I've said many times before, although the new timetable for December is an undoubted improvement, I don't think it is as good as it should be. The Monday-Saturday service is only better by one train. The key question for me is: who has decided which trains will run and which won't?"*

*Specifically, the 20-00 from King's Cross doesn't run via Pontefract from Monday-Saturday is a severe drawback, because it means that on no day of the week can Pontefract people have a conventional day out in London, and this only affects Pontefract and the Five Towns on those services".*

**Peter Cookson – Honorary President**

On other items, we await the outcome of a meeting on rail our group had with Yvette Cooper MP, and also Cllr Brian Mayhew has reported to Arch that the roof at Baghill Station requires further attention.

Our meetings on Friday nights will continue throughout this year and into 2026. Anyone interested in rail services locally is always welcome to join our Group.

## HERITAGE WALK FOR WAKEFIELD CIVIC SOCIETY

**On 12 Aug, over 30 members of Wakefield Civic Society and Wakefield Historical Society enjoyed a visit to Pontefract where we spent the day being shown round the Market Place conservation area, and a small part of the Castle conservation area focusing on blue plaques.**

The day started at the Town Hall and followed by a tour of the architecture of the town centre, visiting the museum and St Giles Church, before walking down to the castle for a site tour. We were supported by our partners in each of those locations, so a special "thank you" to Barbara, David Evans and Ian Downes.

Kevin Trickett, President of Wakefield Civic Society said "An enjoyable and informative day which started in cool drizzle but ended up with hot, bright sunshine. Our visit was topped and tailed by coffee and cakes provided by Pontefract Civic Society and we had lunch Cromwell's restaurant".

We will be doing the same thing again with similar numbers, this coming week, for Ilkley & District U3A.

## HERITAGE OPEN DAYS COMING SOON!

**We've curated a full and varied programme with the support of many of our usual partners which will take place officially between Friday 12 and Sunday 21 September.**

800 booklets are already in circulation at the library, museum, castle, St Giles Church, St Mary's Community Centre and many shops and bars, and there's been lots of social media, which will continue.

## Mayor's Parade & Civic Service

It was with alacrity I accepted the chance to represent Pontefract Civic Society at the Mayor's parade & annual civic service.

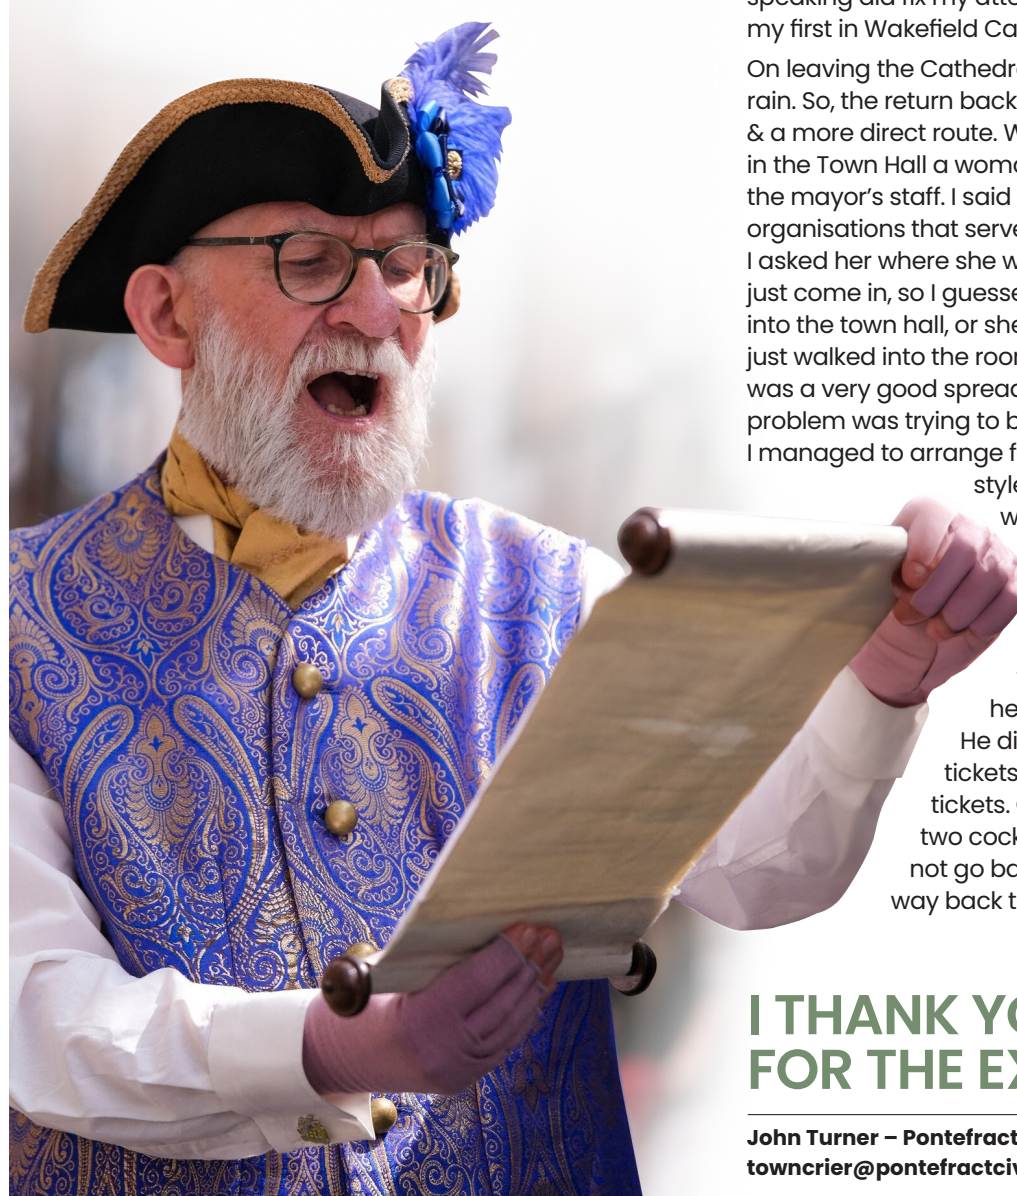

On a blustery Saturday morning in July, I put on my best suit & ventured forth to Wakefield.

On entering the Town Hall I was asked if I needed to go to the robing room. I explained that I didn't need to put on my Town Crier livery. Many Mayors were in attendance who did go & as I had some time, I decided it was time to have a coffee with a biscuit or two. Choosing somewhere to sit so as not to try and balance mug, biscuits and bag I sat at with two women who were friends of the Mayor, Councillor Maureen, Tennant-King. They explained that they have occasionally been asked to be a consort when the mayor attends an

event, deputising for Mr Terry King. Names were called so that we knew where to be in the parade. Pontefract Civic Society was called just after Wakefield Civic Society. When in the right place I had a word with Kevin Trickett the chair of Wakefield Civic Society. I mentioned that I was looking forward to the tour of Pontefract, in August, that Pontefract Civic Society was putting on for Wakefield Civic Society. Thankfully there was only a hint of rain as we walked slowly to Wakefield Cathedral. Children & adults waved to the parade as we passed by.

The service was to give thanks for Councillor Maureen Tennant - King near the start of her year of office as Mayor of the City of Wakefield Metropolitan District. Also to give guidance and blessing for all who serve in public office. The brass band music was majestic especially in the setting of the cathedral. Prayers were said, hymns sung & those speaking did fix my attention. It was a very special service, my first in Wakefield Cathedral.

On leaving the Cathedral we were met with more persistent rain. So, the return back to the Town Hall was much quicker & a more direct route. Whilst waiting to queue for the buffet in the Town Hall a woman asked me if the event was for the mayor's staff. I said it was for individuals, groups & organisations that serve Wakefield in some way or another. I asked her where she was from & she told me that she had just come in, so I guessed that she had followed the parade into the town hall, or she was already in the town hall and just walked into the room to see what was happening. There was a very good spread of finger foods & again my main problem was trying to balance food, plate & drink. Thankfully I managed to arrange food and drink on the top of an old-style radiator. I started a conversation with one of the mayor's drivers & we spent a long time chatting about Ropergate. When we had finished our seconds the driver wanted to spend some money on the tombola. If he won anything he said he would donate it to the mayor's raffle. He didn't realise that he had bought 25 tickets & he insisted that I have some of the tickets. On the very last ticket I won a prize - two cocktail glasses. I decided that I should not go back to the buffet table but make my way back to the railway station.

## I THANK YOU, FOR THE EXPERIENCE.

## DONATIONS & BEQUESTS

**Have you thought of making a donation to Pontefract Civic Society during your lifetime, or leaving us some money in your will?**

Pontefract Voice and our Annual Reports show the tremendous work the society and our members are doing to make Pontefract a better place. To continue our important work, then additional active members are always beneficial.

The civic society is both independent and non-political. As the town's 'watchdog' for the built environment, highways, rail, planning, architecture, heritage, events, business, and public amenities, we can speak on behalf of those who live, work, are educated here, or visit Pontefract, without fear or favour.

We would be absolutely delighted if you would make a donation or a bequest. Both the Chair and Vice Chair are available if you wish to discuss this in more detail.
