## Design Awards 2023 – just rewards for making Pontefract a better place

On Tues 30 Jan, Pontefract Civic Society hosted its Design Awards for 2023, in the Georgian Nelson Room of Pontefract Town Hall in front of a gathering of business and property owners, architects, contractors, representatives from Wakefield Council, and Civic Society members.

Civic Society Chair, Paul Cartwright said *“this is an evening to celebrate regeneration projects which enhance the historic streetscape and open spaces of Pontefract as a place for residents and visitors to shop, relax, and enjoy.”*

The Civic Society presented the Countess of Rosse Façade of the Year award to Headhunters, a two year project, based on the façade’s bold and distinctive colour scheme and signage over all three floors of this jettied timber framed building, estimated to be 16th century. Headhunters were nominated in three categories and they walked away with two justifiable awards.

Jenine Hunter, owner, said, *“I’m absolutely blown away to be entered into so many categories, and to have won two of them, makes all the hard work worthwhile. I can’t thank everyone that voted for me enough, and for all their kind words about my project”.*

Other awards presented on the night were:

**Civic/Commercial – Indoor Market Hall**

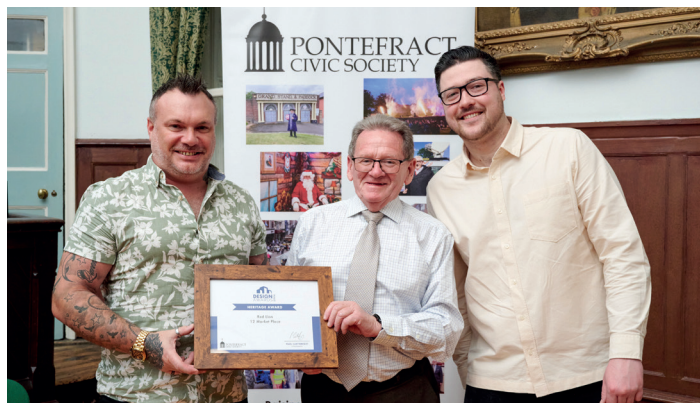

**Special Commendations – Pontefract Park Play Area**

**Regeneration Award – No. 23/Erubi**

**Residential Award – WDH Newport House**

**Heritage Award – Red Lion**

**Improvement Award – Headhunters**

Philip Henfrey, Civic Society Planning Group deputy coordinator, said ***"Our assessments start with the planning applications, followed by walking around the town checking the changes as they take place, and then suitable nominees are visited to discuss the work with owners; it's a year-long activity for us"***.

## Tom Dixon RIP – Mr Liquorice

*We don't normally report in this way when members pass away, and Tom wasn't actually a member, though as the following explains, he was a good servant of the Civic Society and the town, as a whole.*

*This is not designed to be an obituary, though our chair was encouraged to write this by Dr Colin White for the Pontefract & Castleford Express (who didn't print it). Colin, a friend of Tom's at the Squash Club 'old men's group' met for exercise and coffee a few times per week; for Tom it was probably more about the coffee and chat, though.*

We recently learnt of the passing of one of Pontefract's most well-known and respected characters, Tom Dixon. A public speaker, writer, and TV personality who recounted tales of liquorice growing and manufacturing, on the family farm which used to grow liquorice plants to make medicinal and confectionary products, or as Tom and many local people used to call it, "Spanish", after the possible origins of the plants 10 centuries earlier. He always mentioned the daily train loads of liquorice going from Pontefract to Boots in Nottingham, and whether an excess of liquorice brought about the demise of Queen Victoria.

Civic Society Chair, Paul Cartwright said ***"Tom was a regular on our talks programme, covering both liquorice and Northgate Lodge (the former workhouse), and he was generous in offering his time each year to host Heritage Open Days events at his home. He will be sadly missed by the Civic Society and many other local groups, where lectures were given, some factual, some family tales and recollections from Wilkinson's factory, and friendships were forged."***

The legacy he leaves behind will continue to educate future generations through his booklets, and the archive TV appearances he made on travelog programmes hosted by the likes of Michael Portillo, Ade Edmundson and others. In these programmes, Tom would recount the visit made by Sir John Betjeman to the family home, where he wrote "The Licorice Fields At Pontefract".

## Hosting three events in five days showcasing Pontefract

On Tuesday 27 Feb, Pontefract Civic Society hosted its **Annual General Meeting**, which was well attended by members and local ward councillors at Pontefract Town Hall.

Civic Society Chair, Paul Cartwright said ***"the AGM was a success in showing via our Annual Report 2023 just what a good Civic Society can achieve, and we were pleased have Rachael Anderson (Magistrates Market manager) volunteer to fill the role of Honorary Secretary."***

The AGM closed with the presentation of two new Community Group member awards, firstly a trophy, certificate and £75 cheque to the winner, Friends of Friarwood Valley Gardens for their crown bed and installation, and to the runner up, St Giles Belfry, for their 'Ring for the King'; they received a certificate and a cheque for £25.

On Fri 1 Mar, the Civic Society also hosted the **We Are Wakefield** business networking event which filled the town hall with around 140 delegates and 15 exhibiting businesses. The event was led by Claire Sutherley DL, We Are Wakefield CEO; our Chair, Paul Cartwright presented the work of the Civic Society, followed by a representative from The Prince of Wales Hospice.

On Sat 2 Mar, **Pontefract Civic Society** hosted the Community Showcase in the town hall, hosting 17 local organisations from Pontefract and the surrounding area.

Paul Cartwright went on to say ***“Over the four hour period, there was a great buzz in the hall which enabled many conversations and much networking to go on. This event allows us to shine a spotlight onto our fellow community groups, which in turn allows them to recruit new members and audiences, and to provide services for those who need them”.***

More details will follow in our Citizenship Report.

## Levelling up success

I was successful in submitting a £5,000 bid to the UK Shared Prosperity Fund run by West Yorkshire Combined Authority and Wakefield Council.

This will be a research and delivery project for six blue plaques; the process will require member and community engagement in the research process. So if you are interested, contact me.

## Diary key events

Since the last issue of Pontefract Voice, Wakefield Council has held two meetings of the Pontefract Regeneration Group, which I attended with Phil Cook (9 Nov & 1 Feb).

Having participated in an invitation-only Destination Management workshop at Wakefield Town Hall on 8 Nov, I was then invited to participate in a Q&A Panel at Wakefield Council's inaugural Tourism Conference at The Hepworth on 22 Jan.

The Yorkshire & Humber Association of Civic Societies (of which I am a trustee) held its AGM at The Old Swan Hotel, Harrogate over the 26-27 Jan. Pontefract Civic Society featured in the newsletter (HOD and Christmas windows). The meeting elected a number of new officers, Margaret Hicks-Clarke as Chair (Goole & Scarborough), and Jane Lee (Keighley) as Treasurer, whilst Alan Goodrum (Halifax) became Vice Chair. Simon Green from Hull was appointed as a new trustee and elected. Spensborough won the Spawforth Award for a community environmental project.

On Monday 29 January, I presented WheelFest and other activities in animating the town centre as part of a series of Civic Voice Membership Monday webinars.

Following the success of the above Civic Voice webinar, I was invited to speak at a Heritage Trust Network regional event in Wakefield on 5 Jun.

Finally, I was due to attend a meeting in Wakefield on West Yorkshire Police Priorities on 10 January. However, at the eleventh hour as no one else had booked to

participate in the meeting, it was switched to a telephone interview. On behalf of the people and businesses of Pontefract, my focus for on combating anti-social behaviour in the town centre, as well as our park and Friarwood Valley Gardens.

As the Civic Society continues to be a busy place for some of us, further meetings and events are listed below.

# Business Member Focus

Cawthorn Accountancy is an established Pontefract accountancy practice, started in 1990 by Mick Cawthorn, ex of Holstead and Senior, an old name in Pontefract.

Mark (his son) joined the practice in 1999, and is now in his 25th year running the business. We like to feel we are a friendly, engaging practice, and enjoy interaction with clients, some of whom are helping towards the regeneration and general optimism about Pontefract. Mark works with Karen his wife, Jenny their daughter (giving the business the third generation of family involvement), Shirley (who has worked for the business longer than Mark), and Jayne.

We operate from Bridge House, 96 Bondgate, which is the old building where Asquith Butchers started their journey to forming the Asda supermarkets empire, and feel very privileged to occupy it.

There is much cause for optimism locally, with great opportunities for the heritage and unique history of the area to be dialled up. We have joined the Civic Society to show our support for the work you do in this regard.

Mark said; "The Society is something I'd like to help out with in the future, but work does get in the way of a lot of things!"

# Society Socials

In February, we tried something new for our members by holding the initial 'Society Social' event in Pontefract Town Centre. We wanted to offer something alongside our established Talks and Tours calendar, that would allow an opportunity to meet and chat to fellow members in a relaxed and informal way.

And so it came to pass that there were 13 of us for lunch at Cromwell's Cafe, and it was not long before chins were wagging and news/gossip were being exchanged! Three members couldn't attend due to illness, whom we hope to see in April. We did take a breather to allow for some photos to be taken but the business of the day was soon resumed. It was a great way to learn about fellow members and has set the tone nicely for our next event. My wife, Pauline and I organised things, and we're looking for a good spot for further lunchtime gatherings. **STOP PRESS!** Farmer Copley's has been lined up for lunch on Tues 9 Apr.

So for February, our thanks must go to Calvin and his team at Cromwell's who were excellent hosts and provided some great food.

## Donations & Bequests

**Have you thought of making a donation to Pontefract Civic Society during your lifetime, or leaving us some money in your will?**

Pontefract Voice and our Annual Reports show the tremendous work the society and our members are doing to make Pontefract a better place. To continue our important work, then additional active members are always beneficial.

The civic society is both independent and non-political. As the town's 'watchdog' for the built environment, highways, rail, planning, architecture, heritage, events, business, and public amenities, we can speak on behalf of those who live, work, are educated here, or visit Pontefract, without fear or favour.

We would be absolutely delighted if you would make a donation or a bequest. Both the Chair and Vice Chair are available if you wish to discuss this in more detail.
